Amazon gift cards have become almost synonymous with cash because of how many products are readily available for purchase on the Amazon.com marketplace it's easy and convenient to place an order from your phone, tablet, or computer and then have it delivered straight to your doorstep within a day or two.

One cool thing that I've found is that the cash back I've been earning from Upside also often stacks with cash back from other services like Dosh so that means that for example if I spend 20 at Wendy's I'll get 25 cash back from Upside and then also get another 0.50-1 from Dosh so on a 20 order I can get 5.6 cash back that's awesome.

MeasureSure protocol sends you short surveys to your phone they're very quick to complete and will reward you with points once you have enough points you can exchange them for a 10 Amazon voucher.
