Details

With an ever increasing amount of real world licences deep lists of real players and an almost overwhelming degree of control at your fingertips it's no wonder people often apply for actual football management jobs with a list of their fm achievements on their cv

Ah minecraft this survival title from mojang is arguably a staple for game pass especially now that java and bedrock are available from the same launcher this means you can play whichever version you prefer and will never have to miss out on teaming up with friends

Endlessly surprising as you connive your way to the top fall back down again then claw up the rungs once more as your disposed king's rightful heir crusader kings 3 shows that even though the weight of a crown wears heavy it's a lot of fun to try and keep it from toppling

More Information

The latest instalment in one of gaming's best suited crossovers total war warhammer 3 combines the epic fantasy lore of warhammer with the grand strategy of total war to create a fantastically immersive experience

Whether you're more into playing the good guy and stemming the tides of evil as one

of the human factions or raising hell with the demonic gods of chaos there are plenty of unit types to manoeuvre and tactics to master across a weighty campaign and strategic multiplayer

The series known for its dry wit and colourful character spanned 19 years and five games with threepwood last appearing in 2009's tales of monkey island for thirteen years monkey island laid dormant but this year the series was revived with return to monkey island under the direction of its original creator ron gilbert

It's happened to all of us one of your friends that's managed to break into the brutal calculus of the real estate industry phones you up and says you know what I'd make a great video game my actual day job sarcasm aside said fictitious friend is actually not too far off the mark

Where a lot of modern action rpgs lean into the trend of super hard worlds filled with punishing combat and every obstacle being a pain in the neck here you guide your foxy friend across a mysterious and mystical island filled with interesting secrets and great map design

A racing game that's just as fun for hardcore speedsters and people who don't usually like racing games forza horizon 5 offers customisable races a moreish collectathon of beautiful cars and a varied open world version of mexico that's fantastically well designed

Conclusion

In short it becomes a clustertruck despite the frantic energy of the game it's a short title that won't leave you feeling drained plus there are sweet abilities you can unlock along the way that will have you excited for hurtling past the next truck

The game also includes an incredible online multiplayer mode that manages to be incredibly competitive and frenetic but with a very different tempo to reflex heavy fps games like call of duty and battle royale games
